

SMiSA AGM - Time & Place Confirmed

Friday, 07 September 2007

SMiSA wishes to announce that the trust AGM has been confirmed as being moved in line with the Hearts game to SUNDAY 30TH SEPTEMBER at 11.00am in Suburbia, Shuttle St Paisley.

Stewart Gilmour and Bryan McAusland will arrive at mid-day to answer questions and the meeting will close at 1.00pm sharp so that all fans can make their way to the Hearts game at 2pm.

The trust appreciates that, as with the game switch the time of the meeting is far from ideal but it is vital that there is a good turn out for this meeting as it may well be the most important meeting in the history of SMiSA.

There will be a number of issues discussed and voted upon, one of which is the issue of reducing the minimum membership subscription. Members should receive a copy of the voting issues for the meeting, as well as a copy of the annual accounts, presently via post if they have not already.
