

Board Members Resign Positions

Wednesday, 10 October 2007

SMiSA Chairman David Grier, along with board members Eric Balfour & Ken Mathie have taken the decision to step down from their positions on the trust committee, citing a mixture of work commitments & personal reasons for why they felt they could not continue to dedicate as much time to their roles as they would have otherwise wished.

David, Eric & Ken have all made substantial contributions to the trust during their time on its board, and all at SMiSA thank them for their hard work and dedication over the past months and years.

This news means that there are committee positions still vacant for any members who wish to volunteer their time and effort in helping to organise the direction of the trust.
