

## Saints Aid 7 - Player Change + Event Itinerary

Wednesday, 14 May 2008

In an unfortunate turn of events, one of our bidders has had to pull out of Saints Aid 7, this Sunday. Mark Syme, who was due to play in the Home #5 position, has suffered an injury and won't be able to play as a result. His place will be taken by Alan Wardrop, who has generously offered to match Mark's bid of Â£300.

Everyone at SMiSA would like to wish Mark all the best in his recovery, and thank Alan for taking up the place.

We have also compiled an event itinerary for the players so that they know what to expect this Sunday. For full information, please click the 'Read More' button.

1pm - Enter through the Players and Officials entrance at Love Street where you meet your team-mates in the hospitality lounge.

1.15pm - Go into your dressing room where your strip will be waiting for you. Get changed and go onto the hallowed turf for your warmup.

1.45pm - Back into your dressing room for your pre-match team talk from your manager.

1.55pm - Walk down the tunnel, pre-match photos and last warmup.

2pm - Let the action begin!

3.45pm - A drink and a sandwich at the bar.

The enclosure will be open on the day for friends and family wishing to attend and will be free to enter - there will sadly not however be catering provided.

---

Please though, do not arrive any earlier than 1pm as you'll just be waiting around while we finish off the preparations at

Love St.

Also players should make sure to remember to bring the following items, which they WILL NEED and won't be provided:

Football Boots

Shinguards

Towels

Toiletries

A change of clothes

Keepers should also remember to bring their own gloves.

If any of the players, or indeed interested spectators have any further questions about the event on Sunday then please don't hesitate to send an email to [SaintsAid7@smisa.net](mailto:SaintsAid7@smisa.net) and we will make sure that they are answered.

Thanks again to all those that bid and to everyone who won a place - we hope you enjoy the experience and enjoy what should be a great day!
