

SMiSA Player of the Year Event - Sold Out!

Friday, 22 May 2009

SMiSA would like to announce that the Player of the Year event at Soho, Shuttle Street, Paisley tomorrow afternoon following the Hamilton Accies match is now sold out!

We would like to take the opportunity to thank all of the travel clubs and Provan Sports in helping us sell all of the available tickets and to Soho for helping us put on the event, which has clearly proved very popular.

If you have missed out on a place at the event, then we would invite you still to come along, but we cannot guarantee you access to the upstairs area where the presentations will be made. All those who have sent emails to the trust as per the instructions on the Official Site should have been contacted.

We would like to thank all buddies for their co-operation and patience while we have dealt with the overwhelming demand for the event and we sincerely hope that they enjoy both it and the game tomorrow!
